Subject: Selection of Full Semester Project Trainees for JAN-JUN-2020 Semester

NIC UP has invited online application for full semester project training work through its website <http://training.up.nic.in> . The last date was 30th October 2019. On the basis of merit, following eligible students have been provisionally selected for full semester training at NIC , UP State Centre, Lucknow. On joining they have to submit following forms duly signed by their institution. All forms are available on NIC training website i.e. <http://training.up.nic.in>

- (1) Student Application Form
- (2) Two Passport size Photographs
- (3) Residential proof

The reporting of candidates is scheduled at 11 AM on 14th November 2019 (Thursday) at NIC UPSC office, Yojna Bhawan Lucknow. However, they are requested to send their willingness by email on or before 11th November 2019 (Monday) by 5 PM, failing which their candidature shall be cancelled. The students are required to make their own arrangements of journey and stay in Lucknow. They are supposed to bring their own Laptop for training. The projects are mostly in .NET Platform/MS SQL, Java/PHP/Python with open source DBMS.
