Subject: Selection of MCA Trainees

NIC UP has invited the online application for project training work through our website <http://training.up.nic.in>. The last date was 15th December 2016. On the basis of merit and the selection criteria following MCA students have been selected for semester training at NIC, UP State Unit, Lucknow. On joining they have to submit the following forms duly signed by their institution. All forms are available on NIC training website i.e. <http://training.up.nic.in>

- (1) Student Application Form
- (2) Declaration of Stipend Form
- (3) Two Photographs
- (4) Residential proof

The training will start from 9th January 2017 (Monday) however they are requested to send their willingness by email on or before 2nd January 2017. The students are required to make their own arrangement of stay in Lucknow. They are supposed to bring their own Laptop for training. The projects mostly are in .NET Platform/SQL and a few in Java.
